## **Frequently asked Questions and Answers**

### **1. What should I wear?**

We have a supply helmets at the barn for riders and campers however you are always welcome to bring your own. It is recommended that riders wear comfortable fitted pants (leggings) and a boot that has a heel (rubber boot or similar). Dress comfortable, warm and in layers. Baggy clothes or draped items, scarfs, etc. are not permitted.

### **2. Do I have to wear a helmet and proper footwear?**

Yes. For safety reasons, students who show up in flip flops or sneakers will not be permitted to ride.

### **3. Where can I buy my own riding attire?**

Locally Coop country store on Topsail Road & Cloverdale Tack on Logy Bay Road have a large selection of helmets, boots, horse treats, and can special order items for you. Equine Meadows also places an order for our Equine Meadows clothing; jackets, riding vests, hoodies, tee's and polo's every spring and every fall.

Some of our favorite Canadian websites to shop from are:

Greenhawk Saddlery

Apple Saddlery

Pleasant Ridge Saddlery

### **4. Equine Canada's Learn to Ride Levels are 1 – 10, however the Equine Meadows lesson program offers lessons 1 – 6, why?**

At Equine Meadows we believe that giving children and beginner riders a safe start to horses is very important so our main focus is on the fundamental learning stage of a riders development, which can be found in the Equine Canada Learn to Ride Levels 1 - 6. We cherish our horses and once the jumps get a little higher and the levels get a little more difficult riders may then purchase their own horse or lease a horse from one of the privately owned horses at our stable. Some riders are quite happy to accomplish the rider level 6, it is a great accomplishment and one that requires dedication, time and physical fitness of both rider and horse.

### **5. How long does it take to complete each level?**

Unfortunately we are unable to give timelines on levels, every rider will advance at their own pace and comfort level. Our main focus is that your child safely enjoys the learning process without timeline expectations.

### **6. How do I register to take the Equine Canada Level exams?**

Once you are ready your instructor will notify the office and you will be placed on a contact list for the exam dates. Because we can only test 10 candidates at a time and host 2 to 3 test dates a year we always start at the top of the list or the students who have been waiting the longest. Students who are interested in testing should talk to their instructor and purchase the Equine Canada Learn to Ride Manuals.

[www.equinecanada.ca](http://www.equinecanada.ca)

### **7. Is there a public washroom?**

There are 2 washrooms on the property, the first one is located in the brown house at the end of the driveway (which is why you need to drive slow coming in the driveway), the other is in the back porch of my house. The back porch washroom is open for winter months only, I kindly ask that from May 1 – November 1, you use the brown house.

### **8. Can parents/ family watch the lesson?**

Yes. We ask that if you are planning to watch the riding portion of the lesson that you are respectful of the coaches and other riders, as well if there is a lot of activity in the barn please move out of the barn to give riders and horses a little more space. If bringing young children please make sure they are supervised at all times and are respectful of the rules of the facility.

### **9. Can I feed the horses treats?**

Some of the horses at the barn are on a low sugar or special diet. Please consult your instructor prior to feeding treats.

### **10. What is required to volunteer at the barn?**

Volunteers at Equine Meadows are required to be a minimum of 12 years of age and a rider level 2 or equivalent. There are volunteer sign up sheets 3 times a year. September (Sept – Dec), January (Jan - April) and May (May - Aug). Once a volunteer signs up, parents will be contacted to help with scheduling. Volunteer shifts are divided equally between all program participants.

**Please ask questions if you are unsure about any of our procedures, we are only happy to help you!**
